

Zenith Investment Partners Research Team

Our 19-strong research team is led by General Manager and Head of Research, Bronwen Moncrieff, and sector heads Quan Nguyen, Rodney Sebire and Andrew Yap.

Bronwen Moncrieff
General Manager and Head of Research
BSc, GDipEd, GDipFin, CFA

Bronwen leads Zenith's Research team, commencing her career with the business as a Senior Investment Analyst before being appointed Head of Research in 2012. She joined the investment industry in 1989, and since then has specialised in the research and evaluation of investment managers and the provision of advice to a wide range of clients.

Prior to joining Zenith, Bronwen held senior manager research analyst roles with the Future Fund, Lonsec and Russell Investments, also working in the US for five years.

Bronwen has been a CFA Charterholder since 1998.

She is a Board Director for Janet Clarke Hall, The University of Melbourne and is a volunteer puppy raiser for Guide Dogs Australia.

Joined June 2011

Quan Nguyen
Head of Equities
MAppFin, CFA, BCom

Quan is the Head of Equities and is responsible for global and Australian equities related investment products.

Prior to joining Zenith, Quan was a financial markets analyst at the Portland House Group, where he was responsible for the formulation, ongoing development and implementation of global equities investment/trading strategies.

Quan has a Master of Applied Finance from Macquarie University and a Bachelor of Commerce majoring in Finance from The University of Melbourne. He is also a CFA® Charterholder.

Zenith Investment Partners

Research Team

Rodney Sebire

Head of Alternatives and Global Fixed Income

BCom, GDipAppFinInv (FINSIA)

Rodney has over 21 years' experience in the investment management industry spanning private client advice, investment consulting, manager research and funds management.

He leads Zenith's alternatives and global fixed interest research coverage, which includes a diverse mix of absolute return strategies and more complex unconstrained fixed income strategies.

Prior to joining Zenith, he worked with Man Group for eight years as Research Manager - Man Australia, providing direct exposure to a range of hedge fund strategies with a specialisation in managed futures. His background in financial services includes Investment Consultant at Intech Investment Consultants, followed by a Senior Investment Analyst role at IWL Limited.

Joined January 2014

Andrew Yap

Head of Multi-Asset and Australian Fixed Income

MAppFin, BCom (Acc&Fin), BEc & Associate AICD

Andrew manages multi-asset, real return and Australian fixed income research for the business and has in-depth knowledge across a broad range of asset classes. With over 20 years' industry experience spanning research, consulting, financial advice, audit and management accounting, Andrew brings a wealth of knowledge and experience to the role.

Previously, Andrew was Associate Director and Head of Multi-Asset in Standard and Poor's Funds Management Research Division, where his responsibilities included equities and fixed interest. Previous positions include Consultant, PPB Advisory and Senior Research Manager, Pitcher Partners.

Andrew also contributes time as a teaching associate at Monash University and is Director with one of Melbourne's leading independent schools.

Joined October 2012

Jock Allen

Senior Investment Analyst

BBus (Fin&Ec)

Jock commenced with Zenith as an Associate Investment Analyst in 2019. Prior to joining Zenith, he worked as an Analyst at Qato Capital, a Melbourne based investment manager, helping to build out their quantitative, fundamentally focused investment strategy. He gained exposure to financial planning through his initial entry into the financial services industry as a Client Services Officer at Bridges Financial Services.
